Inviting applications for internships – January 2024
Human Rights Commission of Sri Lanka – Regional Offices

The Human Rights Commission of Sri Lanka (HRCSL) calls for applications from dynamic undergraduates or recent graduates/equivalent qualifications (Aged between 19-29 years) who wish to voluntarily support the work of the Commission and obtain training in human rights promotion and protection activities, including research.

Applicants with training in law, political science, international relations, or other areas of social sciences and humanities will be given preference. Those who can demonstrate an active commitment to public interest activities and good writing skills would have a distinct advantage.

The internships are for a minimum of 3 months duration and could be served either at the Regional Offices or District Office or Sub Offices (refer to HRCSL website for locations).

Refer to the HRCSL website for the application. The application must be emailed with a copy of the University ID card/ copy of the Degree Certificate to internship.hrcsl@gmail.com or before February 09, 2024.

Please be kind enough to publish and pass this message on to students in your faculties/institutions/departments. Your support in this regard is highly appreciated.

Thank you.
