Welcome to 'Web Build Mastery 2024'
The Ultimate Web Development Showdown

What is Web Build Mastery 2024 Competition?
Web Build Mastery 2024 Competition is a platform where you can showcase your web design skills and win amazing prizes.

Who is organizing the competition?
The competition is a collaborative initiative between SLT-Mobitel and the STEMUp Educational Foundation, a non-profit organization dedicated to fostering STEM literacy among youth.

### What do contestants need to do?
Contestants are invited to create captivating websites for businesses using SLT-Mobitel's **CUBKIT** Web Design Toolkit.

What is CUBKIT Web Design Toolkit?
CUBKIT Web Design Toolkit is a user-friendly tool that allows you to design professional-looking websites without any coding knowledge. It features customizable templates to make the designing process efficient.

Why should you join the competition?
• Networking Opportunities
• Skill Development
• Rewards and Recognition
