November 10, 2023

Dear Sir/Madam,

Exposition, the premier University Business Magazine that bridges the gap between Management and Information Technology is published by the Industrial Management Science Students Association of the Department of Industrial Management, University of Kelaniya.

We are elated to announce that registrations are now open for the most anticipated Inter-University article competition of the year, "Edify," featured in Exposition issue 19. This competition provides an exceptional opportunity for talented undergraduates to showcase their writing prowess.

Register now via: https://edify.exposition.lk/

The winning articles will have the opportunity to be published in the prestigious Exposition Magazine, reaching a broad readership and contributing to the discourse on cutting-edge topics. Additionally, the winners will receive their prizes at the launch event of Exposition Issue 19.

Attached to this email, you will find the competition flyers, complete with comprehensive guidelines. We cordially invite your university to participate in Edify 2023 and kindly request that you share this announcement with your students. If you have any questions or require further information, do not hesitate to reach out to us.

Yours Truly,

Prof. Janaka Wijayanayake
Head of the department
Department of Industrial Management
University of Kelaniya, Sri Lanka

ARTICLE COMPETITION

Competition Guidelines

• All applicants are required to complete the registration process by visiting the Edify website or scanning the QR code provided.

• The theme of the article should be related to IT, Management or Entrepreneurship disciplines.

• Articles must be written in English and should be approximately 1000-1500 words in length.

• Content should be relatively formal with appropriate tenses and structured in a continuous narrative form rather than as a list of points.

• Articles should be well-researched and should cover unique areas.

• Plagiarism and generating articles using AI are prohibited. But AI can be utilized to generate factual information.

• Refrain from copying or reproducing information, facts, or content obtained from the internet.

• Verifiable assertions and facts are required, and opinions should be presented in a fair, objective manner focusing on the main topic.

• Submission guidelines will be provided after registrations.
