NOTICE TO STUDENTS

**Invitation for Comments and Suggestions on the Internship Programme
(Six Months to One Year)**

This notice is addressed to students of the 2022/2023 batch, currently at Level 3000, who are due to commence their internship training in 2027.

The Faculty is considering arrangements for the internship programme, including a possible extension from the current six-month period (Level 4000, Semester II) to one year (Level 4000, Semesters I and II). The proposed arrangement is as follows:

- The internship will continue to carry the same number of credits (06).
- Assessment of internship performance will be limited to the second semester of Level 4000, as at present.
- The first part (Semester I) of the extended internship will not be mandatory; it will be optional, at the student's choice.
- Lectures will be conducted online, in the evenings, starting from 6.00 p.m.

Before finalising these arrangements, the Faculty invites students to submit their comments and suggestions on this matter.

Comments and suggestions may be submitted as follows:

- Mode of submission: e-mail: ar@mgt.ruh.ac.lk / physical box at the Dean's Office
- Deadline: 04 August 2024

Your feedback will be taken into consideration by the Faculty Board in finalising the internship arrangements for your batch.
